BY: Chief of Staff/City Clerk

SUMMARY

The City Council formed Community Facilities District 2005-1 (Public Safety Services) (CFD) to provide a financing mechanism to sustain the delivery of public safety services to new residential developments. The CFD was formed in November 2005. This action declares the City Council’s intention to annex additional territory, and will set a public hearing date for the purpose of annexing this additional territory into the CFD.

RECOMMENDATION:

1. Adopt Resolution No. _____, “A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM SPRINGS, CALIFORNIA, DECLARING ITS INTENTION TO ANNEX TERRITORY INTO A COMMUNITY FACILITIES DISTRICT AND TO AUTHORIZE THE LEVY OF SPECIAL TAXES.” (Annexation No. 9, Vibrante Tract 32736)

2. Adopt Resolution No. _____, “A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM SPRINGS, CALIFORNIA, DECLARING ITS INTENTION TO ANNEX TERRITORY INTO A COMMUNITY FACILITIES DISTRICT AND TO AUTHORIZE THE LEVY OF SPECIAL TAXES.” (Annexation No. 10, Cameron Tract 33575)

3. Adopt Resolution No. _____, “A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM SPRINGS, CALIFORNIA, DECLARING ITS INTENTION TO ANNEX TERRITORY INTO A COMMUNITY FACILITIES DISTRICT AND TO AUTHORIZE THE LEVY OF SPECIAL TAXES.” (Annexation No. 11, Palm Ridge Tract 36738)
4. Adopt Resolution No. _____, "A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM SPRINGS, CALIFORNIA, DECLARING ITS INTENTION TO ANNEX TERRITORY INTO A COMMUNITY FACILITIES DISTRICT AND TO AUTHORIZE THE LEVY OF SPECIAL TAXES." (Annexation No. 12, Via Olivera Tract 36737)

5. Set the Public Hearing for 6:00 p.m. on July 15, 2015, for public comment and for the filing of written protest by any property owner regarding the annexation of territory to the CFD, the levy of a special tax for public safety services, and a special landowner election.

STAFF ANALYSIS:

The City Council created the CFD to assist in the financing of police, fire and life safety services to new residential development. This type of financing program, which is authorized under the Mello-Roos Community Facilities Act of 1982, envisioned the participation of all future new development projects, either by formation of new districts or annexation into the CFD.

Since the formation of the CFD, a number of residential developments have been annexed to the CFD by the City Council. Four developments are ready for annexation — Vibrante (41 multi-family units) Tract 32736, Cameron (80 Multi-family units and 26 live/work units) Tract 33575, Palm Ridge (40 single-family units) Tract 36738, and Via Olivera (5 multi-family units) Tract 36737.

Each project listed above has, as a condition of project approval, a requirement to participate in the process of annexing into the CFD for public safety services. Although the City could form separate CFDs for each development, it is simpler and less costly to annex these projects into the existing CFD since the Rate and Method of Apportionment established for the CFD governs the levy of special taxes not only within the original boundaries of the CFD but, also, within all subsequent annexations.

In order to commence the annexation process, the City Council must adopt a Resolution of Intention for each annexation. This resolution sets forth terms and conditions for annexing territory into the CFD and includes the Rate and Method of Apportionment of the special tax to be levied. The Resolution of Intention also establishes a date for a Public Hearing on the proposed annexation. The Public Hearing date, which by statute must be held within 30-60 days following the adoption of the Resolution of Intention, is scheduled for July 15, 2015. Pursuant to the Mello-Roos Community Facilities Act of 1982, there are less than twelve (12) registered voters in the territory proposed to be annexed; therefore, the special election will be a landowner vote.

The City Council has imposed, as a condition of development, a requirement to participate in the process of annexing into the CFD for public safety services. Directly prior to the Public Hearing, each property owner will return a Petition with Waivers to the
City, waiving certain timing and noticing requirements related to election code, which will enable the City to expedite the annexation process by conducting the special election immediately after the July 15, 2015, Public Hearing.

Included with each Resolution of Intention, the City Council must establish the boundaries of the territory to be annexed to the CFD. Each Resolution of Intention identifies the territory to be annexed into the CFD, which will be recorded with the County Assessor's Office upon completion of the annexation process.

The special tax that is currently being assessed on properties within the CFD is based upon a Fiscal Impact Analysis that was prepared by MuniFinancial. Based on this analysis, the current special tax for a single-family residence is $408.43 per year, and will increase by the annual escalation factor until it reaches the maximum of $500. The current special tax for a multi-family residence is $344.25, and cannot exceed the maximum of $500. The special tax is collected as part of the annual property tax.

Assuming the City does not receive a majority protest against annexation from the affected landowners at the Public Hearing, the City will then be able to conduct a special landowner election, and levy the special tax on all affected parcels within the annexed areas beginning in fiscal year 2015-16.

FISCAL IMPACT:

At build-out, the four (4) developments identified above will generate an additional $68,663 per year for public safety services.

CFD funds can only be used for public safety services. In fiscal year 2014-15 a total of 1,275 parcels are in the CFD and were levied a total amount of $414,732.

WHEREAS, this City Council now desires to commence proceedings to consider the annexation of territory to the District.

NOW, THEREFORE, the City Council of the City of Palm Springs, DOES HEREBY RESOLVE as follows:

1. This City Council proposes to begin the proceedings necessary to annex territory to the District pursuant to the Act.
2. The name of the existing District is City of Palm Springs, Community Facilities District No. 2005-1 (Public Safety Services).
3. A general description of the territory included in the original District is shown on the map recorded in the office of the County Recorder for the County of Riverside on November 1, 2005 in Book 64 at Pages 71-77 of Maps of Assessments and Community Facilities Districts, to which map reference is hereby made.
4. The territory now proposed to be annexed to the District is shown on Annexation Map No. 9 of the District on file with the City Clerk, a copy of which is attached hereto as Exhibit A, which Exhibit is, by this reference, incorporated herein. The rate and method of apportionment of the special tax among the parcels of real property within the District, as now in existence and following the annexation proposed herein, in sufficient detail to allow each landowner within the territory proposed to be annexed to the District to estimate the maximum amount such owner will have to pay, is attached in Exhibit C.

8. The special tax proposed to be levied for Services to be supplied within the proposed territory to be annexed will be equal to the special taxes levied to pay for the same Services in the District, except that a higher or lower special tax may be levied within the proposed territory to be annexed to the extent that the actual cost of providing the Services in that territory is higher or lower than the cost of providing those Services in the District. Notwithstanding the foregoing, the special tax may not be levied at a rate which is higher than the maximum special tax authorized to be levied pursuant to the rate and method of apportionment of the special tax.

First, the Special Tax shall be levied each Fiscal Year on each Assessor’s Parcel of Developed Property Proportionately between Developed Single-Family Residence and Developed Multi-Family Residence up to 100% of the applicable Maximum Special Tax. Second, if the Special Tax Requirement has not been satisfied by the first step, then the Special Tax shall be levied each Fiscal Year on each Assessor’s Parcel of Entitled Property up to 100% of the applicable Maximum Special Tax for Entitled Property.

Any taxpayer that believes that the amount of the Special Tax assigned to an Assessor’s Parcel is in error may file a written notice with the District Administrator appealing the levy of the Special Tax. This notice is required to be filed with the District Administrator during the Fiscal Year the error is believed to have occurred. The District Administrator or designee will then promptly review the appeal and, if necessary, meet with the taxpayer. If the District Administrator verifies that the tax should be changed the Special Tax Levy shall be corrected and, if applicable in any case, a refund shall be granted.

F. **EXEMPTIONS**

1. Residential Property

   Residential Properties which annually meet one or more of the following standards shall be exempt from payment of the Special Tax:

   a. A Residential Property consisting of one or two person(s) earning $15,300 or less gross income per year, upon complying with procedures to establish such exemption, or
   b. A Residential Property consisting of three persons earning $17,900 or less gross income per year, upon complying with procedures to establish such exemption, or
   c. A Residential Property which qualifies for either the Low Income Rate Assistance (LIRA) exemption for electrical or gas services or the Lifeline exemption for telephone services.

The City is authorized and directed to promulgate administrative rules and procedures for verification of eligibility for the exemptions referred to in section F.

G. **MANNER OF COLLECTION**

Special Tax as levied pursuant to Section D above shall be collected in the same manner and at the same time as ordinary ad valorem property taxes; provided, however, that the District Administrator may directly bill the Special Tax, many collect Special Taxes at a different time or in a different manner if necessary to meet the financial obligations of the District or as otherwise determined appropriate by the District Administrator.
H. **TERM OF SPECIAL TAX**

Every Five years after the establishment of the District, the City Council may reexamine, if deemed necessary by City Council, the necessity of the continuance of the Special Tax through the preparation of a Fiscal Impact Analysis, otherwise the Special Tax shall be levied in perpetuity.

COMMUNITY FACILITIES DISTRICT NO. 2005-1
(PUBLIC SAFETY SERVICES)
ANNEXATION NO. 12
VIA OLIVERA, TRACT 36737

WHEREAS, under the Mello-Roos Community Facilities Act of 1982 (Sections 53311 and following, California Government Code; hereafter referred to as the "Act"), the City Council of the City of Palm Springs (the "City") previously conducted proceedings to establish the City of Palm Springs Community Facilities District No. 2005-1 (Public Safety Services) (the "District"), and

WHEREAS, under the Act, this City Council is the legislative body for the proposed annexation of territory to the District and is empowered with the authority to annex territory to the District and levy special taxes within the annexation territory; and

WHEREAS, this City Council now desires to commence proceedings to consider the annexation of territory to the District.

NOW, THEREFORE, the City Council of the City of Palm Springs, DOES HEREBY RESOLVE as follows:

1. This City Council proposes to begin the proceedings necessary to annex territory to the District pursuant to the Act.

2. The name of the existing District is City of Palm Springs, Community Facilities District No. 2005-1 (Public Safety Services).

3. A general description of the territory included in the original District is shown on the map recorded in the office of the County Recorder for the County of Riverside on
November 1, 2005 in Book 64 at Pages 71-77 of Maps of Assessments and Community Facilities Districts, to which map reference is hereby made.

4. The territory now proposed to be annexed to the District is shown on Annexation Map No. 12 of the District on file with the City Clerk, a copy of which is attached hereto as Exhibit A, which Exhibit is, by this reference, incorporated herein. The boundaries of which territory are hereby preliminarily approved and to which map reference is hereby made for further particulars. The City Clerk is hereby directed to record, or cause to be recorded, said Annexation Map No. 12 of the District in the office of the County Recorder of the County of Riverside within fifteen days of the date of adoption of this Resolution. The Tract Map for the territory proposed to be annexed, is attached in Exhibit B.

5. The types of services to be funded by the District and pursuant to the Act consist of those services (the "Services") described in Section 5 of Resolution No. 21402 entitled "A Resolution of the City Council of the City of Palm Springs, California, Declaring its Intention to Establish Community Facilities District No. 2005-1 (Public Safety Services) and to Authorize the Levy of a Special Tax Therein to Finance Certain Services" adopted by the City Council on September 7, 2005 (the "Resolution of Intention"), which Resolution of Intention is, by this reference, incorporated herein. It is presently intended that the Services will relate to the existing territory in the District and the territory proposed to be annexed to the District.

6. Except to the extent that funds are otherwise available to the District to pay for the Services, a special tax sufficient to pay the costs thereof, secured by recordation of a continuing lien against all non-exempt real property in the District (including the property being annexed thereto), will be levied annually within the District and collected in the same manner as ordinary ad valorem property taxes, or in such other manner as this City Council shall determine, including direct billing of the affected property owners. The rate and method of apportionment of the special tax among the parcels of real property within the District, as
now in existence and following the annexation proposed herein, in sufficient detail to allow each landowner within the territory proposed to be annexed to the District to estimate the maximum amount such owner will have to pay, is attached in Exhibit C.

7. The special tax proposed to be levied for Services to be supplied within the proposed territory to be annexed will be equal to the special taxes levied to pay for the same Services in the District, except that a higher or lower special tax may be levied within the proposed territory to be annexed to the extent that the actual cost of providing the Services in that territory is higher or lower than the cost of providing those Services in the District. Notwithstanding the foregoing, the special tax may not be levied at a rate which is higher then the maximum special tax authorized to be levied pursuant to the rate and method of apportionment of the special tax.

8. Notice is given that on Wednesday, July 15, 2015, at 6:00 p.m. or as soon thereafter as the matter may be heard, in the regular meeting place of this City Council in the Council Chambers, at 3200 East Tahquitz Canyon Way, Palm Springs, California, 92262, and the same are hereby appointed and fixed as the time and place when and where this City Council, as legislative body for the District, will conduct a public hearing on the annexation of territory to the District and consider and finally determine whether the public interest, convenience, and necessity require said annexation of territory to the District and the levy of said special tax therein.

9. The City Clerk is hereby directed to cause notice of said public hearing to be given by publication one time in a newspaper published in the area of the District. The publication of said notice shall be completed at least seven days before the date herein set for said hearing. The notice shall be substantially in the form of Exhibit D hereto.

10. This Resolution shall take effect upon its adoption.

ANNEXATION NO. 12
VIA OLIVERA, TRACT 36737

On June 3, 2015, the City Council, as the legislative body for the District, adopted a resolution entitled “A Resolution of the City Council of the City of Palm Springs, California, Declaring its Intention to Annex Territory into a Community Facilities District and to Authorize the Levy of Special Taxes” (the “Resolution of Intention”). Pursuant to the Resolution of Intention, the City Council determined that the public convenience and necessity require that certain territory, as more particularly described in the Resolution of Intention, be annexed to the existing District, all as provided in the Mello-Roos Community Facilities Act of 1982 (Sections 53311 and following, California Government Code) (the “Act”). Reference is hereby made to the Resolution of Intention, on file with the City Clerk of the City for further particulars. The following is a summary of the provisions of the Resolution of Intention.

In the Resolution of Intention, the City Council declared its intention to annex territory into Community Facilities District No. 2005-1 (Public Safety Services) (the “District”). The area proposed to be annexed to the District is as shown on Annexation Map No. 12, on file with the City Clerk, and identified in Exhibit A of the Resolution of Intention. The District shall fund police services, fire protection and suppression services, and life safety services. It is presently intended that the services will be provided, without preference or priority, to the existing territory in the District and the territory proposed to be annexed to the District. The Resolution of Intention provides that the special taxes heretofore caused to be levied in the District shall be levied in the territory proposed to be annexed, subject to public hearing and owner consent proceedings as specified in the Act.

At the public hearing the testimony of all interested persons for and against the annexation of said territory to the District or the levying of special taxes within the territory proposed to be annexed will be heard. Any person interested may file a protest in writing with the City Clerk.
