One (1) Portable Sign is permitted for each tenant space with frontage along a public street.

The following information is to help the applicant in determining the type of application required based upon each unique business situation.

- If you are a business that wishes to place one (1) Portable Sign on the sidewalk located against the front wall of the building (see attached graphics), please fill out the standard Portable Sign application. Fee is \$38.00 to be renewed annually.
- If you are a business that wishes to place one (1) Portable Sign in an alternative location such as near the street curb (see attached graphics), please fill out the standard Portable Sign application and a Land Use Permit application. Fee is \$38.00 + \$136.00 = \$174.00 with the standard application to be renewed annually.

Please keep in mind that minimum distance requirements for pedestrian clearance are mandatory. The Planning Department Staff will use the information provided such as a scaled site plan, pictures, and measurements to determine the appropriateness of the request. The permit application will be rejected if the minimum distance requirements cannot be met or are maintained.
