Palm Springs Fire Department Advises Residents and Visitors to Stay Off the Roads During Storm Conditions

Feb. 14, 2019

The Palm Springs Fire Department would like to advise residents and visitors to shelter in place and stay off the roads during today's storm event.

"With heavy rain and flooding like we are experiencing today, it is safer to stay off roadways and shelter in place," said Palm Springs Fire Chief Kevin Nalder, who notes many residents and visitors are inexperienced driving in dangerous weather conditions, when rain and flooding cause problems throughout the city.

For the latest street closure information, visit the City's website at www.palmspringsca.gov. You can also sign up for road closure alerts through the City's Everbridge notification system by visiting the Palm Springs Police Department page at www.pspd.com
