The City of Palm Springs wants to inform residents that renovation of the pool deck at the Palm Springs Swim Center will begin next month, which means the center will close for one month beginning **Sunday, Aug. 3** – reopening again for community use at 9 a.m. on **Monday, Sept. 1**.

The pool is closing during August based on the fact that organized swim teams like the Piranhas go dark and overall usage of the pool declines as many part-time residents leave town, according to Vicki Oltean, the City's director of parks and recreation, who noted the renovations cannot be completed in phases and must happen all at once.

"We appreciate the community's patience while we work to replace the pool deck," said Oltean. "We anticipate swimmers will be very pleased with the final result once the pool reopens in September."
