

RESOLUTION NO. 22454

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PALM SPRINGS, CALIFORNIA, ADOPTING A TICKET DISTRIBUTION POLICY PURSUANT TO FAIR POLITICAL PRACTICES COMMISSION REVISED REGULATION 18944.1.

The City Council of the City Palm Springs finds:

A The Fair Political Practices Commission ("FPPC") has adopted revised Regulation 18944.1 establishing rules by which tickets distributed by local government agencies to government officials will not constitute reportable gifts under the state Political Reform Act, and

B. Regulation 18944.1 requires that local government agencies adopt a written policy governing distribution of tickets to local government officials in order that receipt of tickets will not necessarily be treated as reportable gifts.

Now therefore, the City Council of the City of Palm Springs adopts the "City of Palm Springs Ticket Distribution Policy" governing distribution of tickets by the City to designated city officials:

SECTION 1. Purpose and Findings.

(a) The purpose of this policy is to implement FPPC Regulation 18944.1 by establishing a framework by which City owned or controlled tickets and passes may be distributed to City Officials in such manner that the ticket will not constitute a reportable gift under the Political Reform Act, providing that the ticket/pass is distributed pursuant to the provisions of this policy.

(b) The City of Palm Springs is located in the Coachella Valley, a multi-jurisdictional region that attracts tourism from the southern California region, the entire State of California, and worldwide. The promotion of tourism within the City and the Coachella Valley is critical to the financial health, cultural vitality, and general welfare of this city government and to the citizens of the City of Palm Springs.

(c) The City of Palm Springs is one of the oldest, best established, and tradition-rich communities in Southern California and has qualities that make it a unique and ideal venue for local, regional, and even national events and festivals, inclusive of many forms of entertainment, cultural enrichment, and recreation.

(c) Coachella Valley communities, including Palm Springs, possess an inter-dependent character through cooperation as evidenced by such efforts through the Coachella Valley Association of Governments and the Palm Springs Desert Resort Communities Convention and Visitors Authority. City official attendance at events within

the City and the Coachella Valley area offer an important opportunity to interact, speak, and engage residents, community leaders, commercial entrepreneurs, and other business owners and officials from other jurisdictions.

(d) The City Council finds that City Official attendance at such events serves one or more of the following public purposes having the effect of:

- (i) Promoting business activity, growth, development, which in turn increases sales and real property tax revenue to the City;
- (ii) Promotion of City-owned businesses or enterprises.
- (iii) Promotion of City, or City sponsored or supported community programs and/or resources that are available to City residents, such programs and resources to include volunteer services and charitable/nonprofit organization programs.
- (iv) Promotion of private facilities available for City resident use, including facilities of charitable/nonprofit organizations.
- (v) Promotion of City facilities available for City resident use.
- (vi) Promotion of City tourism on a local, state, national or worldwide scale.
- (vii) Promotion of City recognition, visibility, and/or profile on a local, state, national or worldwide scale.
- (viii) Promotion of open, visible and accessible government by City Official appearances, participation and/or availability at an Event.
- (ix) Promotion of inter-governmental relations, *i.e.*, cooperation and coordination of resources between the City and other government agencies or entities in the Coachella Valley.
- (x) Promotion of City attraction and retention of highly qualified employees, for which any such employee or prospective employee may receive no more than four (4) Tickets per Event.
- (xi) Promotion of public exposure to, and awareness of, the various the recreational, cultural, and educational venues and facilities available to the public within the City.
- (xii) Meeting and greeting residents and visitors at city held or sponsored events, and to make observations and suggestions as to the conduct and

operation of city held events. The City Council therefore finds that city official attendance at city events inherently serves the public purpose of assisting in the enhancement of a City run event program.

(e) The City Council finds that City official attendance at the following Events, and similarly situated events, will in fact serve one or more public purposes as set forth in subsection (d) of this Section: Palm Springs International Film Festival, Native American Film Festival, the Dinner in the Canyon sponsored by the Agua Caliente Band of Cahuilla Indians, Palm Springs Chamber of Commerce Athena Luncheon and State of the City Address, Palm Springs Air Museum Gala, Desert AIDS Project Steve Chase Dinner, Palm Springs Police Officers Association Annual Golf Tournament, Palm Springs Modernism Week Gala and related events, Riverside County Fair and National Date Festival, the International Tamale Festival, the Coachella and Stagecoach concerts, the Southwest Arts Festival, the Bob Hope Classic, the Indian Wells Professional Tennis Tournament, Empire Polo Club concerts, and community benefit golf tournaments.
