Minimum Submittal Requirements Pools

Submit three sets of plans, drawn to scale. Minimum plan size is 11 X 17 inches containing sufficient detail to insure compliance with the California Codes and local Ordinances, to include:

- Permit application Form
- Copy of Contractor License or Owner Builder Form
- Plot Plans with lot square footage, pool location and adjacent structures
- Pool Plan showing size, depth of spa, steps, lighting and reinforcing
- Structural Calculations
- Plumbing plan with water piping, drain and venting
- Gas plan showing BTU ratings of each appliance on all branches with distances in each branch.
- Electrical plan showing conductor size, conduit type, overcurrent protection and equipotential bonding. Also, location of any proposed or existing lighting, outlets and overhead service lines.
- Note indicating compliance with the barrier and door alarm provisions of the Code.
- Show anti entrapment compliance
