5.22.050 Regulations.

A home occupation permit for home occupations allowed by the provisions of this chapter shall be granted by the business license collector provided the home occupation complies with the following regulations:

- (1) Home occupations shall be conducted within a dwelling and shall be clearly secondary to the use of the structure as a dwelling. In no instance shall one or more home occupations occupy an excess of two hundred square feet of living area per dwelling.
- (2) A home occupation shall not be conducted in an accessory structure or garage and there shall be no storage of equipment or supplies in an accessory structure or garage or outside the dwelling.
- (3) There shall be no external alteration to any dwelling that would indicate the existence of a home occupation and in no case shall the home occupation be evident from outside of the dwelling.
- (4) No one other than a resident, and no more than two residents of the dwelling shall be employed in the conduct of a home occupation.
- (5) A permittee of a home occupation shall not advertise that occupation in a manner which encourages pedestrian or vehicular traffic to the premises.
- (6) No motor or motorized tool shall exceed one horsepower and the total horsepower of such motors shall not exceed two horsepower.
- (7) A home occupation shall not create any radio or television interference or create noise audible from outside of the dwelling.
- (8) No smoke, odor, liquid, vibration, or solid waste shall be emitted from the dwelling. There shall be no discharge into the sewer system in violation of any applicable [Government Code](#).
- (9) All truck and other vehicular storage or parking shall comply with the provisions of Section 93.06.00(B)(6) of the Palm Springs Zoning Ordinance.
- (10) A home occupation shall not be permitted if it causes any increase in pedestrian or vehicular traffic.
- (11) No retail or wholesale sales or service type businesses shall be conducted on the premises if on-site contact with the public occurs.
- (12) All displays, signs, and/or on premises advertisements shall be prohibited. Signs affixed to vehicles shall comply with Section 93.20.10 of the Palm Springs Sign Ordinance.
- (13) There shall be no use of utilities or community facilities beyond that normal to the use of the property for residential purposes.
- (14) There shall be no use or storage of dangerous chemicals, acids, caustics, explosives or otherwise hazardous equipment or materials.

(Ord. 1170 § 1, 1982)
