## Memorandum 2019 California Codes

Date: July 10, 2019  
To: Building Department Customers  
From: Gil Estrada, CBO, MPA  
Subject: 2019 California Code Adoption

The new 2019 California Building Codes become effective on January 1, 2020. All permits applied for on or after that date must comply with the provisions of those newly adopted codes.

Permit applications and plans submitted under the current 2016 Codes remain under that code as long as the permit or plan review remains unexpired.

Permits may be issued for projects utilizing Master Plans submitted under the 2016 Codes until June 29, 2020. Permits issued on Master Plan Projects which are issued after January 1, 2020, may not be extended.
