

Community Action Request Form

The purpose of this form is to enable neighborhoods to request the possible initiation of a traffic study in accordance with the City of Palm Springs' Neighborhood Traffic Calming Policy. The form must be filled out in its entirety, including a short description of current problems, and signatures of residents and / or property owners from at least five different residences within the affected area.

After completing this form, please submit it to:

City of Palm Springs
Department of Public Works and Engineering
Traffic Management Center
3200 Tahquitz Canyon Way
Palm Springs, CA 92262

If you have any questions regarding the completion of this form, contact us at Richard.Jenkins@palm Springs-ca.gov or 760-323-8253 ext. 8739.

Describe the location where your concerns occur, including the limits of your neighborhood. Provide a map or sketch of the effected area.

Describe any traffic or safety issues that concern the residents in your neighborhood. Use additional sheets or the back of this paper if needed.

Provide the names, signatures, addresses and phone numbers of at least five people who concur with the concerns listed on this form and who reside at different addresses within the effected neighborhood.

NEIGHBORHOOD NAME:

Block Captain

Name	House Address (City/State not necessary)	E-Mail/Ph No	Signature
------	--	--------------	-----------

Additional Names

Place additional names if desired on an additional sheet of paper.

Date of Request: _____

Neighborhood Traffic Calming Program Prioritization Worksheet

TO BE COMPLETED BY CITY STAFF

City staff, in accordance with the City of Palm Springs Traffic Calming Policy, will complete this worksheet. It will be used to prioritize the potential use of neighborhood traffic calming techniques.

Name of Neighborhood: _____

Traffic Volumes:

- Greater than 2,000 vehicles per day= 5 points
- 1,500 – 2,000 vehicles per day = 4 points
- 1,000 – 1,500 vehicles per day = 3 points

Collision History on Local Streets

- More than 5 in one year=8 points
- 2-4 in one year=4 points

Traffic Speeds

- Critical Speed (85th percentile) is 15 mph over speed limit = 6 Points
- Critical Speed (85th percentile) is 10 - 14 mph over speed limit = 4 Points
- Critical Speed (85th percentile) is 5 – 9 mph over speed limit = 2 Points
- Critical Speed (85th percentile) is 0 – 4 mph over speed limit = 0 Points

Cut-Through Traffic Levels

(to be measured only if it is the main stated concern of the neighborhood)

- Greater than 25% of vehicles are cut-through = 4 Points
- 15% - 25% of vehicles are cut-through = 2 Points

School & Public Facilities

- Each school or facility adjacent to the street=1 point

Neighborhood Impact

- Each 500 linear feet of street experiencing the above problems = 1 point

Neighborhood Funding

- 1-10% of the total estimated cost = 2 points
- 11-25% of the total estimated cost = 4 points
- 26-50% of the total estimated cost = 6 points
- 51-75% of the total estimated cost = 8 points
- 76-99% of the total estimated cost = 10 points

TOTAL SCORE
