Update 60 Swarm Continues on State Route 60

SAN BERNARDINO – The California Department of Transportation (Caltrans) 60 Swarm projects continue on State Route 60 (SR-60) to repair deteriorated pavement slabs and replace the Pipeline, Monte Vista and Benson Avenue bridges.

The SR-60 Pavement Rehabilitation Project will continue this weekend with week six, of fifteen weekends, of full directional closures of eastbound SR-60 between Interstate 15 (I-15) and the 60/91/215 Junction in Riverside from Friday at 10:00 p.m. through Monday at 5:00 a.m. There are three remaining weekend closures of eastbound SR-60 followed by seven weekend closures of westbound SR-60. All lanes and ramps are closed during the directional closures. There will be no closures on the Veteran's Day holiday weekend.

Motorists who are just passing through are advised to use State Route 91 (SR-91) and Interstate 10 (I-10) around the 60 Swarm as alternate routes to avoid delays. Local businesses are open during the project.

For the re-paving project; eastbound SR-60 nighttime lane and ramp closures will take place from Valley Way to the 60/91/215 Junction in Riverside. Closures will take place September 3 to September 6, from 9:00 p.m. to 5:00 a.m. Westbound SR-60 nighttime lane and ramp closures will take place from the I-15 to Euclid Avenue from 8:00 p.m. to 4:00 a.m.

For the bridge replacement project; September 3 through September 6, SR-60 eastbound and westbound nighttime lane and ramp closures will take place from S. Reservoir Street to Ramona Avenue. Lane closures will take place from 9:00 p.m. to 6:00 a.m.

The eastbound on and off ramps at S. Reservoir and Ramona Avenue will be closed from 9:00 p.m. to 6:00 a.m. The westbound on and off ramps at S. Reservoir and Ramona Avenue will be closed from 9:00 p.m. to 4:00 a.m. Please follow the posted alternate routes.

A traffic reconfiguration will occur on SR-60 west of I-15 for the duration of the project. Lanes will be available in each direction on SR-60 during the day. The speed limit will be lowered to 55 miles per hour within the project limits. For up to date information on the 60 Swarm projects call the 60 Swarm hotline at 1-833-607-9276.

Know before you go! To stay on top of roadwork in the Inland Empire go to [Caltrans District 8](#) and sign up for commuter alerts.
