PROGRAMS &

Free Classes and Online Videos

Attend a FREE class. No registration is required. See the schedule on the back page of this flyer, or take a Backyard Composting class or Vermicomposting class at your convenience online at www.rcwaste.org.

Backyard Composting

Use your landscape waste to make compost in your own backyard. Compost is great for your garden and the environment. Plus we sell compost bins to county residents for \$12/each. (limit 3 per household; cash and MC/V accepted; service fee for MC/V)

Vermicomposting and Make-Your-Own Worm Bin (MYOWB) Workshop

Learn how to turn food waste into the best plant food money can buy – using worms! Vermicomposting is clean, easy and does not require a lot of space. Kits are sold at our classes for \$26/each or come with your own materials and attend our workshop after class. (cash and MC/V accepted; service fee for MC/V)

Green Cleaning

Learn how to make household cleaning supplies without toxic materials. That means less hazardous waste under your sink or in your garage! It's simple to make and saves you money on all those expensive kitchen and bath cleaning supplies.

Garden Talk

Join us in our Resource Garden to talk with a UCCE Master Gardener. Topics vary so check the schedule for your topic of interest.

Schedule a Speaker

If you can't make it to one of our classes, but still want a live instructor, we can come to you. You can Schedule a Speaker for any group of 15 or more, anywhere in the county, for FREE. Find a location, schedule us online or on the phone and we'll be there.

Speakers are available to youth groups, senior groups, schools, clubs, civic groups, businesses, church groups, garden clubs, homeowners associations etc. Topics include the classes listed above as well as Recycling, Food Waste/Wasted Food, Household Hazardous Waste and Sharps/Needles/Medications.

School Resources

We are available to teach students about composting, recycling and vermicomposting. If your school has a garden, go online to learn how we can assign a Compost Mentor or donate a compost or vermicomposting bin. We can even help you develop a smarter lunchroom program to help reduce food waste and save your school money. All for FREE!

951-486-3200

RESOURCES

Residential Recycling

Go online to get recycling tips, watch helpful videos, find your hauler and learn the steps to rethink, reduce, reuse, repair, recycle and rot.

Business Recycling

Go online to find information about Mandatory Commercial Recycling (AB341) and Organic Recycling (AB1826) laws. Find ways to comply with CA laws and save your business money by reducing, reusing and recycling.

Food Waste/Wasted Food

Go online for strategies on how to reduce and manage Food Waste and Wasted Food. There are tips to reduce wasted food at home, while shopping or when dining out. Businesses can find links to the Good Samaritan Law, get SB1383 information and locate food recovery networks throughout the County.

Waste Guide

Use our online Waste Guide to find recycling and disposal options for a variety of waste streams.

Community Clean-Ups

Community clean-ups are scheduled throughout the county. Call us or check our schedule online to locate the one nearest you.

Household Hazardous Waste

Check online to determine what is hazardous waste and where to dispose of it. We have locations and hours of our permanent and temporary HHW and ABOP (antifreeze/batteries/oil/paint) facilities.

While dropping off your HHW, shop at one of our five FREE reuse stores — great for DIY tasks for the home, garden and auto.

Sharps/Needles and Medication

Find FREE drop off locations for sharps/needles as well as information on the proper disposal of medication.

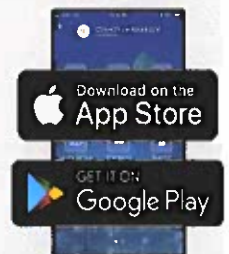

Graffiti

To report graffiti in Riverside County, call the Graffiti Hotline at 951-955-3333 or 866-732-1444, fill out the online form or use the RivCo mobile app.

Illegal Dumping

To report illegal dumping, call 800-870-6600, fill out the online form or use the RivCo mobile app.
