Subject: Letter of Resignation

Dear Lee and HRC Commissioners

It is with deep regret that I must resign from the Palm Springs HRC,

Unseen circumstances are preventing me from further involvement on the commission.

I enjoyed my time with this fine group of men and women and appreciate all they are doing to ensure equality for the citizens of our city.

I deeply regret not being able to complete the work I started on the Elder Abuse event.

I will deliver "The Secrets of America" DVD to City Hall this week (addressed to Lee)

I contacted Cynthia Mendez from Riverside County C.A.R.E and she will be at the event

to speak after the movie. Her number is 760-

I also spoke to Chief Dominguez's secretary Renee and was waiting for a phone call from the individual that is responsible

for elder abuse issues. Her number is 760-
Center said he would have

Mark Maxwell at the Mizzel Senior

the room set up as he did for the Poorest of the Poor event. His number is 760-

I know I will continue to hear about the good work this commission is doing in Palm Springs. I appreciate each of you and your commitment

to our community.

Most Sincerely,

Barbara Beaty
