Subject: RESIGNATION

Please read this to the commissioners at the next meeting. Thank you Lee.

I read the minutes from the last meeting and it looks like the HRC is moving in a very positive direction. That makes me extremely happy. I believe having Sly facilitate the retreat and the last meeting has helped tremendously in renewing the spirit of the Commission and helping it regroup. We are in a very dangerous time--a time of economic turmoil that can lead to an increased crime rate and "scapegoating". This is the time that the HRC must increase its education and help our citizens.

Unfortunately, I can not participate with you in your new journey. For many reasons, I have decided that I need to spend the next year focusing on my practice and my family. Therefore, please accept my resignation from the Commission. I wish you all the best. I thank the City of Palm Springs for the honor of having served it on this Commission.
