CITY CLERK

Cindy,

This is the message I received from Roger Tansey offering his resignation from the Sustainability Commission. Hope this helps. I understand that Commissioner Aileen Fields resigned last week, so there are now four vacancies on the 11-member commission.

Hi Doug,

Hope this email finds you well. Sorry it's taken me a while to get back to you.

I've been out of commission with a nasty cold, missed time at work, then had to go straight into a trial . . . which only points up how I don't have much free time these days. I think it best if I resign from the Commission to free up a seat for someone else who would be better placed to devote time to it.

My resignation doesn't stem from a lack of interest, but simply a lack of time . . .

Best,

Roger
