James Arca-Mays	CODE	2:22 PM	I was unable to hear any screaming from children at the property line. Noise were from traffic. I returned to my car and the RP, property owner approached me at my car and offered to let in in his back. I advised I can do that and if I find the noise level unacceptable, I will reach out to the tenants to lower their noise. He was not happy with that and he stated "never mind". I proceeded to call the property owner, who advised me he has a husband and wife staying longer than 28 days. He stated they have two children and were probably enjoying the pool in the middle of the day. He became very upset as his neighbor complains. I advised him I witnessed no violation but I was obligated to call him of the complaint.	NO
