9/29/2023	10:46 PM	18892	53	Portola Dr.	Per reporting party it's past ten and they are making a lot of noise and it looks like they are having a party. They have been noisy all day it seems that the short term rental they always having parties and it's not allowed.	Dominick Spina	CODE	10:53 PM	I arrived at the property at 10:53 pm reference a noise complaint. Upon my arrival, the property is located at a condominium complex and is surrounded by many units. I stood at the property line of the residence, and walked along the property complex where I was unable to hear any violations. The reporting party information was giving; however, no property access was granted for me to further my investigation. I called the reporting party and informed of my observations. I called the listed local contact, who didn't answer my call, so I left a voicemail. I then called the owner of the property and advised him of the noise complaint and my resolution.		
9/30/2023	2:43 PM	18902	1322	Paseo De Marcia	Reporting party stating there is amplified music at this rental. Reporting party wishing to stay anonymous.	Luxsy Palm Springs	CODE	4:21 PM	From the street in front of the property I witnessed no music. However, I heard noise coming from the backyard pool area. I performed a decibel reading and the occupants were under the allowed residential noise levels. The reporting party wished to stay anonymous and no access to their property was granted. I made contact with the occupants and advise them of the complaint. I informed the responsible renter their noise level is under the allowed decibel limit, but the levels change throughout the night and a citation could be issued to them if I return to the property at a later time. I called local contact and advised of the complaint and informed them no citation was issued. No further action was taken.
